

2023 Art Ball Sparkle

Assembly for the Arts (Assembly) is excited to announce our inaugural Art Ball to celebrate those who support the arts and to showcase the wealth of arts and culture that makes Cleveland a leading arts city! The Art Ball is going to be a signature arts event for our community and a key fundraiser for Assembly.

We invite you to partner with us by serving as a sponsor of our inaugural event to take place on Saturday, May 13, 2023.

The goals of the Art Ball are three-fold:

- ◊ Recognize the philanthropic and corporate communities for their support of the arts in Cuyahoga County. A special award will be presented to Tony Panzica, CEO/President, Panzica Construction Company, for his longstanding and committed support and leadership to the arts community.
- ◊ Raise awareness of Assembly's mission. Assembly works to expand the pie of resources and increase racial equity for greater Cleveland's \$9.1B creative sector. In the last year, Assembly has successfully secured more than \$6.3M in public ARPA funds to support cultural nonprofits, individual artists, and cultural businesses in our communities. We've also engaged BIPOC creatives in fellowship opportunities, entrepreneurial, career-advancement, and networking opportunities.
- ◊ Provide an opportunity for community leaders and residents to network with arts leaders and creative entrepreneurs. The event will highlight a range of work from creatives in our local arts and culture sector.

We are pleased to provide you with an opportunity to showcase your support of the arts and partner with us to demonstrate your ongoing commitment to the arts in Cleveland.

If you have any questions, please contact our Development Officer, Kristin Puch at 216-575-0331, x124 or email kristin@assemblycle.org.

Thank you, as always, for your leadership and advocacy in our community.

Best,

Jeremy V. Johnson
